Frequently Asked Questions

Q: Why Are Your Cabinets So Reasonably Priced?

A: That is because we are factory direct. There is no middle man. As a result, we pass the savings on to you.

Q: What Is The Price Range Of Your Cabinet & Granites?

A: Prices may vary. It depends on how many cabinets and size of kitchen. The estimated amount for the cost of our cabinets will be given once we design a kitchen or bath in accordance with your measurements. We consistently beat our competitors in price by approximately 30%-60% for granites, in same or similar style and material. Other charges may apply and they will be discussed with client prior to finalization of each order.

Q: Where Do Your Maple Woods Come From & Where Are They Fabricated?

A: Our Maple Cabinets wood is from Canada and China and fabricated in China.

Q: Where Do Your Granites Come From?

A: Our Granites are imported from the finest quarries all over the world, fabricated in China and shipped directly to our warehouse.

Q: Are Your Wood Products 100% Wood?

A: All of our wood products are 100% Maple Stained in multiple colors. The face being 100% solid wood and the box being 100% Maple Plywood. None of our wood products are made by compressed wood as in the case with some of our competitors.

Q: Is It Easy To Maintain A Granite Counter Top?

A: Yes, it is simple to maintain. Simply spray it and wipe it down with granite sealant. Normal using and regular cleaning will ensure your counter top will maintain its polished finish.

Q: Is Granite Stain Resistant And Heat Resistant?

A: Yes, because it is a natural product; it has pores. Just seal it with a sealant twice a year.
